19th May 2020

Dear Resident,

RE: Well Hall- Virtual Planning Exhibition – Friday 29th May - Sunday 31st May 2020

We write to keep you up to date about the Greenwich builds proposals to develop new RBG Council homes at Well Hall Road.

You'll likely be aware that we were due to start on site demolition / hoarding but had to halt operations due to the COVID-19 pandemic at the end of March.

However, we have been working in the background developing designs for the proposed development and would like to share our plans with you via a Planning Exhibition. Ordinarily we would hold a public meeting to conduct this Planning Exhibition. However, for safety and to minimise risk during the COVID-19 pandemic, we are having to find ways to work differently, whilst protecting residents and staff.

With the above in mind, we will be hosting this Planning Exhibition virtually, online and this will be your opportunity to comment on the designs before we submit a formal Planning Application. Like any public Planning Application, you will be able to see the design, video's, exhibition boards, descriptions and most importantly, be able to share your views, leave comments and ask questions.

(Please also note that after the planning application is submitted, The Planning department will also conduct an independent consultation and make a recommendation before consideration at planning committee.)

The planning exhibition will go live on Friday 29th May and run until Sunday 31st May 2020.

To access the planning exhibition visit: wellhallroad.commonplace.is

(Please note that you can also access the exhibition via the Greenwich builds webpage at www.royalgreenwich.gov.uk/wellhallroad)

If you do not have access to the internet and would to share your views, please do not hesitate to contact the Greenwich builds team on the number below, where will make arrangements for you to view and comment.

Next step: From the 1st of June, we will consider the thoughts and comments made and anticipate submitting a planning application around mid-June.

Resuming works: Before the pandemic, we wrote to you advising that we were due to start the demolition and hoarding of the site, which meant that we would have to restrict vehicle access to the slip road leading to the garage area. This work is due to recommence week beginning 22nd June and we ask again if residents could refrain from parking in the slip road from this date.

Should you have any other questions, please do not hesitate to contact the Greenwich Builds team on 0208 921 4190 or greenwich.builds@royalgreenwich.gov.uk
